手术过后，回去找**凯尼斯教授（Professor Kaineth）**，他住在赌场里**[新阿狩斯（）]**（M23:13）。准备好了解过去的事情——前往峡谷边缘，见到**凯尼斯（Kaineth）[斯沃洛斯（The Swallows）]**（M26:11）。注意，峡谷的道路上有很多**危登怪（Vidons）**。抵达目的地后，看到第一个记忆场景。然后和大师对话。后续的任务就是跑到不同的地点看不同的记忆片段。之后的目的地是废墟（M26:12）。一路上，你会遇到不同的怪物，比如巨大的**邪恶巨人（Ungodly Colossuses）**。在下一个记忆片段里，你会见到**甘多哈（Gandohar）**。再次和**凯尼斯（Kaineth）**对话。

After the surgery, return to **Professor Kaineth**, who's residing at the casino **[New Ashos]** (M23:13). You'll be ready to learn about the past - head to the edge of the Gorge, where you will meet with **Kaineth [The Swallows]** (M26:11). Remember that the roads in the Gorge are filled with **Vidons**. After getting to the place, you will witness your first memory. Right afterwards, talk with the Master. The further part of the mission consists mainly of travelling to various places and seeing more fragments from your past. Your next destination are the ruins (M26:12). By going so far you will encounter various monsters, such as giant **Ungodly Colossuses**. In the next memory, you will witness **Gandohar**. Speak with **Kaineth** once more.

谜题的下一部分在老大学下面的废弃水井里（M26:13）。水井里有很多危登怪。用撬锁技能打开地窖的门[**湿冷地窖（Clammy Cellar）**]。里面有一些**骷髅（Necrises）**，不过数量不多。抵达地点后（M28:1），另一段记忆显示出来。要下到下层，需要先将水位降低。走向墙（M28:2），使用**地窖钥匙（Cellar key）**。后面有一个阀门——转动它就可以降低水位。又有**骷髅（Necrises）**出现，杀掉它们之后进入主厅，激活记忆片段（M28:3）。你可以使用这里的传送门（M28:4）回到老大学。回到废墟（M26:12）再看一段记忆，然后和**凯尼斯（Kaineth）**对话。

解锁任务[**进入沼泽（Into the Swamp）**]

The next piece of the puzzle is an abandoned well below the old University (M26:13). You will meet more **Vidons** at the University as well. Picklock the cellar door [**Clammy Cellar**]. Inside you will have to face some **Necrises**, luckily there's not too many of them. Once you get to the well (M28:1), another memory will start. You have to lower the water to get to the lower level. Approach the wall (M28:2) and use the **Cellar key** on it. Right behind there's a valve – turn it to lower the water level. A few **Necrises** will appear below. After entering the main hall, another memory will be activated (M28:3). You can leave the cellar using the teleport (M28:4), which will move you back to the old University. Return to the ruins (M26:12) to witness another memory and afterwards talk with **Kaineth**.

You will unlock [**Into the Swamp**].

Received from: **Professor Kaineth** [**The Swallows**] (M26:12)

回去找先知，告诉她你看到的事情。戈塔利乌斯房的传送门没有激活，可以使用兽人营地[阿尔索纳（**Alsorna**）]（M1:4）的传送门。进入卡萨拉（**Cassara**）的王座后，场景动画开始——索达霍恩（**Sordahon**）出现了。这个敌人很强大，抗性又高，幸好他不会召唤小兵帮忙，专心对付他一个就可以。杀死他之后，从其尸体上拿到他的武器和护盾。下到地下[阿尔索纳—地下室—阿尔索纳内部]（M2:11），在这里只能见到达·菲（**Dar Pha**）和戈塔利乌斯（**Ghortarius**）。到戈塔利乌斯的房间去（M2:6），使用传送门前往沼泽。

解锁任务[第一次遭遇（**First Encounters**）]。

Time to return to the Prophet and tell her what you saw. Unfortunately the teleport at Ghortarius' quarters is inactive. Use the one at the orcs camp [**Alsorna**] (M1:4). After getting to **Cassara's** throne (M1:8) a cutscene will play - **Sordahon** will show up. The enemy is very demanding and resistant. Fortunately he won't be calling in any minions, so you'll have to fight only with him. Don't forget to search his body afterwards to collect his weapon and shield. Go to the underground [**Alsorna - basement - Inside Alsorna**] (M2:11), but you will only meet **Dar Pha** and **Ghortarius**. Head to the teleport at Ghortarius' chamber (M2:6) to teleport to the swamps (M37:1).

You will unlock [**First Encounters**].
